

# Mabee FARM to FORK

Saturday September 16 • 5-8 pm  
with the Electric City Food Co-op

Dear Friend,

Savor the harvest with us this fall as we present the second annual **Mabee Farm to Fork**, a celebration of local foods!

The Schenectady County Historical Society and the Electric City Food Co-op are teaming up to bring our community an evening of local food tastings and live music inside Mabee Farm's historic Dutch Barn. We're even sourcing ingredients from Mabee Farm's own fields!

The event will be held on **Saturday, September 16, from 5 - 8 PM**. Tickets are \$50 per person and will include local food prepared by a local chef. A cash bar will be available for alcoholic drinks.

Proceeds from the event will support Mabee Farm Historic Site (part of the Schenectady County Historical Society) and the membership drive for the Electric City Food Co-op. More information is available at [schenectadyhistorical.org/farmtofork](http://schenectadyhistorical.org/farmtofork).

Your support of this harvest event will expand both organizations' reach into the community and demonstrate your commitment to a stronger, progressive regional economy. As a sponsor, you or your business will gain additional exposure as a supporter of local resources and will provide Mabee Farm Historic Site and the Electric City Food Co-op with the backing needed to advance towards our goals and vision.

We hope you will join us as a sponsor! For questions, please contact Kat Wolfram or Mary Zawacki at the contact information listed below. Our sponsorship application is enclosed; **please return the form by August 24**.

Sincerely,

Kat Wolfram
