Letter Book 16 – July 1913 - Nov 1913 (Begins Page 1)

Page	Date	Description
1	1 July 1913	New York Telephone Company, Inc., Schenectady, NY to C. P. Steinmetz. Monthly bill for \$4.00, covering local service charge and toll calls.
2	1 July 1913	R. H. Whitehead, Testing Engineer, Isthmian Canal Commission, Miraflores, Panama to C. P. Steinmetz. Request for support in his application to join the American Institute of Electrical Engineers.
3	3 July 1913	Martin M. Foss, Secretary, Engineering and Technical Books, McGraw-Hill Book Company, NY, NY to C. P. Steinmetz. Notification that “Electrical Engineering” will need to be revised for a second printing run of the first edition. As Mr. Foss states, “We do not want to make this a revised edition, but merely first edition, second impression, corrected.” Corrections should be in to McGraw-Hill no later than 1 August.
4	3 July 1913	H. C. Senior to S. M. Swaab, Chairman, Meeting Committee, The Engineers’ Club of Philadelphia, Philadelphia, PA. Referencing the letter sent 27 June 1913 (252, Book 15), Dr. Steinmetz “...will try to get a paper together for presentation before your Club this coming winter, but his time is very limited...”
5	10 July 1913	Martin M. Foss, Secretary, Engineering and Technical Books, McGraw-Hill Book Company, NY, NY to J. L. R. Hayden. Referencing his letter of 3 July 1913 (3 above), Mr. Foss states, “My letter was certainly a blind one...We mean ‘Electrical Engineering,’ third edition.”
6	11 July 1913	S. W. (?) to ?. “Have some student analyze these waves (Engineering Mathematics, Chapter III), to determine the harmonics...”
7	15 July 1913	Carl (?) to C. P. Steinmetz. Letter informing Dr. Steinmetz of a letter Carl sent to D. W. Peck at the Department of Public Works, protesting barge canal trespassers coming onto his land and destroying property. He notes “...Vee7der (Judge Alexander<?>) is building a bungalow about 10 yds from my house...” He closes by stating, “Let me know any time you want to go down there. I guarantee to drive <u>very slowly</u> .”
7a	15 July 1913	Carl (?) to D. W. Peck, Superintendent of Public Works, State Capitol, Albany, NY. Note referenced above.
8	15 July 1913	Wm. S. Cogswell, Brevet-Lieutenant-Colonel, U. S. V., Military Order of Loyal Legion of the United States to J. L. R. Hayden. Notification that the \$35 sent on July 15 th is \$6 short owing to non-resident dues.

9	15 July 1913	C. P. Steinmetz to Martin M. Foss, Secretary, Engineering and Technical Books, McGraw-Hill Book Company, NY, NY. Referencing the letter of 10 July 1913 (5 above), Dr. Steinmetz states, "If possible, I should prefer to have the book revised rather than merely corrected...change the denotation of the symbolic method, to conform with the decision of the Turin Congress. While I consider the decision a mistake, at the same time for the sake of uniformity, I am willing to accept it..." It will take 3-4 months to complete the revision. This project will put on hold the revision of "Alternating Current Phenomena," in which Dr. Steinmetz was already engaged.
10	16 July 1913	Martin M. Foss, Secretary, Engineering and Technical Books, McGraw-Hill Book Company, NY, NY to C. P. Steinmetz. Referencing the letter of 15 July 1913 (9 above), Mr. Foss agrees that a revision makes sense and will keep stock in the previous edition to cover the writing timeframe. He apologizes for interrupting the work on "Alternating Current Phenomena" and is "...willing to leave the question of which should be revised first, to you," although based on stocks of books, "Electrical Engineering" makes the most sense.
11	21 July 1913	William J. Morrissey, Deputy Superintendent of Public Works, Albany, NY to C. P. Steinmetz. Referencing Dr. Steinmetz's letter of 18 July 1913 (not in collection), "...asking permission to make use of parcel 2536 at Schenectady for the purpose of caring for the same..." Mr. Morrissey notes the letter has been received and the Superintendent is considering it.
12	22 July 1913	Charles M. Lowrie, Landscape Architect, New York, NY to C. P. Steinmetz. The requested copy of "...my report on park sites for the city of Schenectady, dated November 4 th , 1905." has been sent. The original report included an extensive map, which Mr. Lowrie no longer has. If the report is seriously considered, it would need extensive revision.
13	22 July 1913	George F. Morrison, General Electric Company, Harrison, NJ to C. P. Steinmetz. A major meeting of every branch of the electrical industry is being planned for 2-6 September 1913 on Association Island. A tentative list of speakers has been drawn up, which includes Dr. Steinmetz, among other political, business and electric industry leaders. "I sincerely hope that you find it convenient to accept an invitation to be with us..." and speak on the subject of "Future Technical Development in the Electrical Business."
14	22 July 1913	George F. Morrison, General Electric Company, Harrison, NJ to C. P. Steinmetz. Same as above.
15	23 July 1913	H. N Laley, Railway Department, General Electrical Company to C. P. Steinmetz. A Mr. G. L. Ostgren, an electrical engineer and Acting Assistant Chief Engineer of the New Jersey Zinc Company, is seeking membership in the Engineers' Club. He has given your name as a potential endorser. Mr. Ostgren "...is a man whose friendship I think it will be in the interest of the G. E. Company to cultivate."
16	23 July 1913	C. P. Steinmetz to William J. Morrissey, Deputy Superintendent of Public Works, Albany, NY. Referencing the letter of 21 July 1913 (11 above), regarding parcel 2536 on the barge canal, Dr. Steinmetz would like the land (the Dempster Property) that has not been flood for the use of the canal to be sold back by the State.
17	24 July 1913	O. E. Stanley, Secretary, Oregon Society of Engineers, Portland, OR to C. P. Steinmetz. Oregon is seeking the advice of prominent engineers as it considers the connection between engineering courses at its State University and Agricultural School, which also offers engineering classes. Six questions are posed, which Dr. Steinmetz has answered with his shorthand.

18	24 July 1913	O. E. Stanley, Secretary, Oregon Society of Engineers, Portland, OR to C. P. Steinmetz. Same as above.
19	25 July 1913	Percy H. Buck, Books and Stationery, Schenectady, NY to C. P. Steinmetz. Mr. Buck asks if "...the Department of Public Instruction plans this fall to supply pupils...with drawing supplies, note books, pads, etc." Is so, please let him know ahead of time so he can stock appropriate items.
20	25 July 1913	Stenographer writing for C. P. Steinmetz to Charles N. Lowrie, NY, NY. Dr. Steinmetz has received and read the report of park sites in Schenectady dated 4 November 1095 (referenced in 12 above), as has Mr. Ball.
21	29 July 1913	Leon Gaster, Editor, The Illuminating Engineer, London, UK to C. P. Steinmetz. In a letter noting that the latest issue of "The Illuminating Engineer" has been sent under separate cover, Mr. Gaster celebrates the growth of the Illuminating Engineering movement in Europe. He asks that Dr. Steinmetz keep him abreast of significant happenings involving the General Electric Company and other organizations.
22	29 July 1913	Leon Gaster, Editor, The Illuminating Engineer, London, UK to C. P. Steinmetz. Same as above.
23	29 July 1913	Duncan W. Peck, Superintendent of Public Works, Albany, NY to C. P. Steinmetz. Referencing the letter of 23 July 1913 (16 above), Since the State no longer needs the land for the barge canal, it can be returned to the former owner "upon proper conditions." It will be taken up with the State Engineer and Surveyor.
24	4 August 1913	William J. Morrissey, Deputy Superintendent of Public Works, Albany, NY to C. P. Steinmetz. After paying a fee of \$10 to the Office of Public Works, Dr. Steinmetz may use Parcel no. 2536 "...during the season of 1913."
25	7 August 1913	Edward Rushmore, President, Spanish American Fruit Company, Plainfield, NJ to Stockholders of the Spanish American Fruit Company (inc., C. P. Steinmetz). A long description of the companies travails involving grapefruits grown in Porto Rico and their investigation by former company manager Herman Conrow.
26	7 August 1913	Edward Rushmore, President, Spanish American Fruit Company, Plainfield, NJ to Stockholders of the Spanish American Fruit Company (inc., C. P. Steinmetz). Same as above.
27	7 August 1913	Edward Rushmore, President, Spanish American Fruit Company, Plainfield, NJ to Stockholders of the Spanish American Fruit Company (inc., C. P. Steinmetz). Same as above.
28	7 August 1913	Edward Rushmore, President, Spanish American Fruit Company, Plainfield, NJ to Stockholders of the Spanish American Fruit Company (inc., C. P. Steinmetz). Same as above.
29	8 August 1913	H. C. Senior to E. J. Guay, West Lynn, MA. Request for lowest pricing on sand lime brick F.O.B. Schenectady in lots of 100,000, with expected need of 200,000 – 500,000 to build schools. In addition, lowest pricing on large sand lime brick blocks and technical details of said products.
30	14 August 1913	Edwin F. Bunn(sp?), Chairman of Committee, Testing Department, General Electric Company, Schenectady, NY to C. P. Steinmetz. Invitation to a clam bake to be held by the Testing Department on Saturday, 23 August 1913.
31	25 August 1913	R. Mitsuda, Electrical Engineer, Ministry of Communication, Tokyo, Japan to C. P. Steinmetz. Request to translate and republish Dr. Steinmetz's books in Japanese.

32	28 August 1913	Roy F. Davis, United Scientific Company, UESCO Series, Chicago, IL to C.P. Steinmetz. Request for a photograph of Dr. Steinmetz to be included in a collection of Lantern Slides for teaching Physics.
33	31 August 1913	Jacob Golden, Editor, Motordom, Albany, NY to H. C. Senior. Referencing a letter of 13 July 1913 (not in collection), in which Mr. Senior promised to send a stenographic transcript of Dr. Steinmetz' paper presented before the convention of the National Electric Light Association. Fearing it has been overlooked, the magazine has sent a second request.
34	2 September 1913	Arthur Williams, General Inspector and F. C. Henderschott, manager, Bureau of Education, The New York Edison Company, NY, NY to H. C. Senior. Request for a short biography of Dr. Steinmetz to appear in a booklet of speakers who will talk to the students of The New York Edison's Company's Commercial School.
35	4 September 1913	W. D. Brough, Circulation Manager, General Electric Review, General Electric Company, Schenectady, NY to C. P. Steinmetz. In looking to increase circulation of the General Electric Review among college students, Mr. Baugh requests a portrait of Dr. Steinmetz to be given as a premium with each subscription.
36	4 September 1913	Franklin Hooper, Brooklyn Institute of Arts and Sciences, Brooklyn, NY to C. P. Steinmetz. Referencing the letter of 29 August 1913 (not in collection), Professor Hooper is pleased that Dr. Steinmetz will speak on "Lightning and Lightning Protection" on 20 December 1913.
37	8 September 1913	C. P. Steinmetz to W. D. Brough, Circulation Manager, General Electric Review, General Electric Company, Schenectady, NY. Referencing the letter of 4 September 1913 (35 above), Dr. Steinmetz has no objection to his photo being used.
38	9 September 1913	C. P. Steinmetz to R. B. Owens, Secretary, Franklin Institute, Philadelphia, PA. Summary of the lecture Dr. Steinmetz intends to give entitled "Effect of Electrical Engineering on Modern Industry."
39	9 September 1913	C. P. Steinmetz to R. B. Owens, Secretary, Franklin Institute, Philadelphia, PA. Same as above.
40	10 September 1913	R. B. Owens, Secretary, Franklin Institute, Philadelphia, PA to C. P. Steinmetz. Western Union Telegram stating the topic and synopsis are fine (in reference to 38 & 39 above).
41	10 September 1913	J. G. Sullivan, Pittsfield, MA to C. P. Steinmetz. Repeated invitation to speak on Socialism before the local committee in Pittsfield.
42	11 September 1913	F. E. Turneure (Thurnauer?), Dean, college of Mechanics and Engineering, University of Wisconsin, Madison, WI to C. P. Steinmetz. Invitation to visit Madison and address the students during Dr. Steinmetz's visit to Chicago in late October.
43	15 September 1913	N. H. Boynton, Manager, National Quality Lamp Division of General Electric Co., Cleveland, OH to C. P. Steinmetz. Typewritten copy of Dr. Steinmetz address at Association Island is being sent. Request that Dr. Steinmetz review and suggest any revisions before it goes to print.
44	15 September 1913	Harry W. Laidler, Organizing Secretary, Intercollegiate Socialist Society to C. P. Steinmetz. Request for a 1,500 word essay entitled "Invention and Socialism" for the February-March edition of the Intercollegiate Socialist. Please have it in by 10 January 1914.

45	16 September 1913	J. L. R. Hayden to New York Life Insurance, Co., NY, NY. Request to change Mr. Hayden's beneficiary from Isabell M Hayden (his mother) to Corinne Rost Hayden (his wife).
46	17 September 1913	W. P. Graham, Dean, L. C. Smith College of Applied Science, Syracuse University, Syracuse, NY to C. P. Steinmetz. Invitation from the Syracuse Chapter of Sigma Xi to speak on "Unsolved Problems in Engineering," during December.
47	17 September 1913	G. A. Parker, Superintendent, City of Hartford Department of Parks, Hartford, CT to C. P. Steinmetz. Referencing a letter from John Orolean(?), a duplicate setoff 30 photographs of the new playground will be sent to Dr. Steinmetz.
48	18 September 1913	N. H. Boynton, Manager, National Quality Lamp Division of General Electric Co., Cleveland, OH to J. L. R. Hayden. The Advisory Committee invites Dr. Steinmetz to visit Nela Park.
49	18 September 1913	H. S. McCormick, Editor, The Efficiency Magazine, NY, NY to C. P. Steinmetz. Request for a copy of the lecture given before the National Association of Corporation Schools' Convention.
50	19 September 1913	J. L. R. Hayden to N. H. Boynton, Manager, National Quality Lamp Division of General Electric Co., Cleveland, OH. Referencing the letter of 18 September 1913 (48 above) and a telegram sent by Mr. Hayden, "Impossible for Dr. Steinmetz to visit you in next ten days. Am writing." Dr. Steinmetz wishes to visit Nela Park later in the season as part of his trip to Chicago in later October. He will not be in Pittsburgh next week for the convention of the Illuminating Engineer Society.
51	20 September 1913	F. S. Knapp, Harvard Athletic Association, Cambridge, MA to C. P. Steinmetz. Enclosure of requested application blank for the Harvard-Yale football game.
52	22 September 1913	Preston S. Millar, Pittsburgh, PA to C. P. Steinmetz. Postal Telegram reads "Regret you were not present at opening session but trust you will be with us before the close of convention."
53	23 September 1913	T. C. Martin, National Electric Light Association, NY, NY to C. P. Steinmetz. Question about a comment Dr. Steinmetz made at the meeting at Association Island. Dr. Steinmetz stated (paraphrased) "in our modern civilization co-operation has been substituted for competition." Was this a misstatement?
54	23 September 1913	C. P. Steinmetz to Board of Estimate and Apportionment, Schenectady, NY. Dr. Steinmetz requests "...immediate attention and action on the pieces of property recommended for purchase as school playground by the Board of Education and authorized for purchase by the Common Council. He references a junk yard adjoining the Edison school authorized by the Board of Aldermen on June 9 th , the need for a playground on Center Street, property adjacent to the Union School. He also puts forth introducing two separate ordinances, "...one for buying the back part of the lots on College Street, and the other for acquiring the land now occupied by the tumble down shacks and the land back of College street adjoining the N. Y. C. property."
55	23 September 1913	C. P. Steinmetz to Board of Estimate and Apportionment, Schenectady, NY. Same as above.

180	22 November 1913	Matthew Page Andrews, President, Page Publishing Association, Baltimore, MD to C. P. Steinmetz. Referencing a statement from an electrical engineer, Mr. Andrew questions whether Dr. Steinmetz stated (along the lines of) "The South would have been justified in seceding solely on the ground of the North's insistence upon the high tariff on cotton cloth...I should be greatly obliged to you if you will drop me a line with regard to the correctness of the above statement."
181	24 November 1913	J. Robert Crouse, Nela Park, Cleveland OH to C. P. Steinmetz. Referencing a letter of 13 November 1913 (not in collection), Mr. Crouse is awaiting an endorsement of the Society for Electrical Development from Dr. Steinmetz.
182	24 November 1913	A. S. McAllister, Editor, Electrical Word, NY, NY to C. P. Steinmetz. "We are planning to use your communication on ozone machines and publish it in the form of a Letter to the Editors, and expect to comment upon the subject editorially within the same issue."
183	25 November 1913	F. Paul Anderson, Mechanical Engineering Dean, State University of Kentucky, Lexington, KY to C. P. Steinmetz. Referencing the letter of 23 October 1913 (124-127 above), fearing Dr. Steinmetz did not see it, he has sent another copy and is waiting to hear the response.
184	25 November 1913	C. P. Steinmetz to Matthew Page Andrews, President, Page Publishing Association, Baltimore, MD. Referencing the letter of 22 November 1913 (180 above), the alleged statement "...is NOT correct, and I did not say anything of this kind as I see no justification for the secession of the South and the attempted breaking up into two more or less hostile nations." He goes on to explain how the protective tariff was necessary for the North and is similar to "The present development of electrical transmission brings the cotton mills from new England to the South, to the source of the raw material...though it hurts New England just as much as the former movement hurt England and the South."
185	25 November 1913	C. P. Steinmetz to Matthew Page Andrews, President, Page Publishing Association, Baltimore, MD. Same as above.
186	25 November 1913	C. P. Steinmetz to Frank H. Passage, Ballston Spa, NY. Thank you for the Money Order for \$18 (see 163 above).
187	28 November 1913	W. S. Barstow, President, W. S. Barstow & Co., NY, NY to C. P. Steinmetz. Thanks for "your favor of November 24 th in regard to Mr. Morrow...I think from all I hear of Mr. Morrow he will be able to qualify."
188	28 November 1913	C. P. Steinmetz to A. R. Brubacher, Schenectady High School, Schenectady, NY. Dr. Steinmetz seeks details to add to a report for the Board of Education.
189	29 November 1913	M. F. Cassidy, Albany, NY to C. P. Steinmetz. Knowing Dr. Steinmetz's love for cacti, Mrs. Cassidy asks when her cactus no longer blooms.
190	29 November 1913	M. F. Cassidy, Albany, NY to C. P. Steinmetz. Same as above.
191	29 November 1913	M. F. Cassidy, Albany, NY to C. P. Steinmetz. Same as above.

192	29 November 1913	Arthur H. Gleason, Collier's, NY, NY to C. P. Steinmetz. "Enclosed is the interview. Please be good enough to return it with corrections. I will send the article, which is written around it, in a few days."
193	29 November 1913	C. P. Steinmetz to J. Robert Crouse, Society for Electrical Development, NY, NY. "Yours of November 13 th has been received."
194	30 November 1913	James A. Young, President, Pratt Institute Electrical Association, Brooklyn, NY to C. P. Steinmetz. Request that Dr. Steinmetz speak to the students of Pratt during one of his trips to New York City
195	30 November 1913	James A. Young, President, Pratt Institute Electrical Association, Brooklyn, NY to C. P. Steinmetz. Same as above.
196	30 November 1913	James A. Young, President, Pratt Institute Electrical Association, Brooklyn, NY to C. P. Steinmetz. Same as above.
