Request for Dr. Steinmetz to deliver an address to the Brooklyn Section of the National Electric Light Association during one of its winter meetings. "You might speak on some subject in connection with the development of the industry or some phase of it."
87	4 August 1914	H. C. Senior to M. S. Seelman, Committee on Meetings and Papers, Edison Electric Illuminating Co. of Brooklyn, Brooklyn, NY. Referencing the letter of 31 July 1914 (86 above), Dr. Steinmetz is out of town and will reply to your letter when he returns in the middle of the month.
88	9 August 1914	Helen Aubray, Entertainer, NY, NY to C. P. Steinmetz. Form letter offering a collection of stories one can tell at dinners to impress friends and colleagues.
89	7 August 1914	E. L. D. Seymour, Doubleday, Page & Company, Garden City, NY to C. P. Steinmetz. Letter requesting that Dr. Steinmetz assist a correspondent by the name of D. M. Andrews of Boulder, CO, who wishes to obtain cactus seeds.
90	6 August 1914	J. I. Sheppard, The People's College, Fort Scott, KS. Letter sent because Mr. Sheppard fears his original letter (22 July 1914 - 66 above) was not received.
91	10 August 1914	H. C. Senior to E. L. D. Seymour, Doubleday, Page & Co, Garden City, NY. Your letter of 7 August 1914 (89 above) has been received. The Doctor is out of town until next week and will engage it at that point.
92	13 August 1914	A. Brownell, NY, NY to C. P. Steinmetz. The letter serves as an introduction to Mr. Waldemar Kaempffert, Editor of Scientific American, who requests that Dr. Steinmetz write an occasional article, not to exceed 700 words, covering advances in electrical engineering. Additionally, it is hoped that Dr. Steinmetz will serve to improve editorial standards by being a member of a group of 30 experts who will serve as a daily service who can "...intelligently and authoritatively digest for the general public current events as they appear in the columns of the daily newspapers."
93	13 August 1914	A. Brownell, NY, NY to C. P. Steinmetz. Same as above.

94	30 July 1914	Waldemar Kaempffert, Managing Editor, Scientific American, NY, NY to C. P. Steinmetz. Letter enclosed with Mr. Brownell's missives (92 & 93 above), requesting that Dr. Steinmetz engage with Mr. Atherton Brownell and his plan to improve editorial newspaper coverage.
95	15 August 1914	J. Irvin Taylor, Treasurer, Spanish American Fruit Company, Plainfield, NJ to C. P. Steinmetz. Payment information relative to the fourth installment of preferred stock in the company.
96	19 August 1914	H. A. D., Assistant Secretary, Guaranty Trust Company of New York, NY, NY to J. L. R. Hayden. We are missing "...Income Tax Certificates in respect to the payment of interest due 1 August 1914 on Liggett & Myers Tobacco Company 5% bonds, in the names of Joseph Steinmetz Hayden, Marjorie Hayden and William Hayden..."
97	21 August 1914	Wilher C. Phillips, St Laurence County, NY to C. P. Steinmetz. Mr. Phillips regrets that he did not come to Schenectady as planned as he, his wife and Dr. Richard C. Cabot decide to press on with their project planning. When they return, they will travel through Schenectady and "...if you happen to be there at the time we should be grateful if you would give us another opportunity to talk with you."
98	21 August 1914	Wilher C. Phillips, St Laurence County, NY to C. P. Steinmetz. Same as above.
99	24 August 1914	C. P. Steinmetz to H. J. Foreman, P. F. Collier & Sons, Inc., NY, NY. Letter sent to verify that articles sent to the magazine earlier in the year have been published as Dr. Steinmetz can find no record of them in the issues he has seen.
100	26 August 1914	G. A. Hall, Secretary, New York Child Labor Committee, NY, NY to C. P. Steinmetz. Request for a contribution from Dr. Steinmetz as the Summer has been particularly difficult financially.
101	26 August 1914	G. A. Hall, Secretary, New York Child Labor Committee, NY, NY to C. P. Steinmetz. Same as above.
102	26 August 1914	T. Tuckerman, St. Louis, MO to C. P. Steinmetz. While in St. Louis for the October Jovian Congress could you address a luncheon meeting of "The Club," which has 1,500 members, some of which are Jovians.
103	27 August 1914	C. W. Stone, General Electric Company, Schenectady, NY to C. P. Steinmetz. Request for Dr. Steinmetz to speak at the meeting of the New England section of national Electric Light Association to be held 3-4 September 1914 at the Narragansett Pier.
104	28 August 1914	M. M. Foss, Secretary, McGraw-Hill Book Company, NY, NY to J. L. R. Hayden. Request for a recent photo of Dr. Steinmetz to be used in the advertising campaign of his new and revised books.
