THE BARN AT MABEE FARM

The Barn — dating from the 1760s — evokes a distinct atmosphere that is simply impossible to duplicate at any other wedding venue.

With its soaring ceilings, original post and beam construction, and elegant details, it's a magical place to celebrate your wedding.

The Barn is just one part of the Mabee Farm Historic Site, the Mohawk Valley's oldest farmstead. On your wedding day, wander woodland paths, kiss beneath the grove of apple trees, or pose against the backdrop of our private 1705 homestead.

THE WEDDING

THE GROUNDS

Surrounded by lush gardens and overlooking the Mohawk River, the Barn at Mabee Farm is deeply pastoral. Immerse yourself in the gentle flow of the Mohawk, the scent of old wood, and the farm's elegant antique atmosphere.

THE CEREMONY

An arbor overlooking the Mohawk River. Beneath an ancient oak tree. Deep in the apple orchard. Or perhaps next to summer's late wildflower blooms. For your wedding, there are endless options for a truly enchanting ceremony.

THE PARTY

Mabee Farm weddings are proudly DIY. For the weekend of the wedding, The Barn is yours, entirely. You choose the caterer, the drinks, the music, and the decor. We're happy to offer suggestions, but the barn is a canvas for your vision.
